

# **EABS: European Association for Brazing and Soldering**

*The Spring Technical Training Seminar*

*Dates:*

**6<sup>th</sup>, 7<sup>th</sup> & 8<sup>th</sup> May 2008**

*We hope that you have already seen the programme for the above seminar. What we would like to know is whether **you** believe that it meets the training needs of companies concerned with mass-production brazing procedures?*

*Please take another look at programme and let us have your views in the box below on topics that **you** feel we should include but which are currently not mentioned. We are particularly interested to hear from you if you are **not** planning to join this event*

*Thank you for taking the time to help us to match our seminars to the needs of industry*

I think that future seminars should include sessions concerned with:
